

COVID Safe Health & Safety Policy

Real Estate

AMP Capital Real Estate is committed to ensuring that our operations create environments that help protect the communities in which we operate from the risk of exposure to COVID-19 including employees, tenants, contractors, customers and members of the public by supporting a COVIDSafe New Zealand.

In line with Government advice and our established WHS policy objectives (*WHSEP 001 Work Health Safety Policy*), AMPC Real Estate as a manager of workplaces and premises, is committed to meeting the practical requirements outlined in the New Zealand Governments plan to play it safe and contributing to the easing restrictions for a COVIDSafe New Zealand.

In meeting this commitment AMPC RE have the following objectives;

- ensuring that AMPC Real Estate has COVIDSafe plans for each asset where control of premise has been established for common areas and management offices.
- fostering and reorganising common areas that uphold personal responsibilities for maintaining social distancing.
- providing facilities that enables people to maintain hand hygiene.
- displaying public health messages for a COVIDSafe New Zealand.
- where control has been established thoroughly cleaning and maintaining our assets with a focus on high touchpoint areas and amenities.
- consulting broadly to enable the opportunity for better COVIDSafe environments.
- Monitor and review our processes ensuring that established COVIDSafe measures remain effective and that new information is communicated broadly and responded to in a timely manner.

Management is committed to monitoring the latest Government and public health advice, consulting with our stakeholders and community to ensure our COVID Safe policy and approach remains effective. Our people are accountable for their role to maintain physical distancing, hand hygiene and respiratory hygiene and to stay at home when feeling unwell and to make suggestions for the ongoing improvements to COVID safe plans and for helping others in achieving safe outcomes.

AMP Capital Real Estate considers no undertaking to be so urgent or important that it cannot be done safely.
